What is an MRA?

A Medical Reimbursement Account is an individual account for each Active Participant to help defray some of your out-of-pocket health care costs not covered by the Fund, on a pre-tax basis.

What can I use the MRA account for?

- To pay bills for IRS approved, Medical, Dental, Vision, Prescription or other similar health care expenses which would otherwise not be payable under the Plumbers and Pipefitters Local 333 Health and Welfare Fund.
- To pay a self-payment amount which may be due.

In other words, the MRA may be used for:

- All or part of any co-payments or deductibles required or amount in excess of usual, customary and reasonable limits, on covered Medical Dental, Vision, Hearing or Chiropractic services.
- Medical, Dental and Vision services (provided they are IRS approved expenses)
- Prescription drug program co-payments
- Self-payments
- Other IRS approved Medical expenses as determined under the IRS code Section 213, as amended from time to time. Please refer to the SPD for further details.

What expenses are not allowed?

Benefits payable under the MRA are subject to IRS rules and regulations regarding the IRS definition of medical expenses, which may be included in medical expense deductions. The following is a brief list of expenses not payable under the MRA. They include but are not limited to:

- Expenses prior to June 1, 2008
- Expenses already covered under the Plumbers and Pipefitter Local 333 Health and Welfare Fund
- Over the counter Vitamins / Supplements
- Life Insurance premiums, premiums for other health care insurance, etc.
- Holistic medicine / treatment
- Other exceptions may apply as adopted by the IRS or the Fund's Trustees

What happens to my MRA after I retire or die?

You will still be able to use your MRA as before including Retiree Self-payments, provided eligibility is maintained under the Fund. Should you die, your MRA will be transferred to your surviving spouse or dependent (as defined by the Fund). They may continue using the remaining balance for eligible expenses for up to two (2) years. The balance will be forfeited after 24 months from your termination of eligibility if it is not used.

Eligibility Requirements

You must be an eligible participant in the Plumbers and Pipefitters Local 333 Health and Welfare Fund to utilize your MRA.

Self-Payments

If you are required to make a self-payment to maintain your coverage, you may use your MRA account to make the payment.

Maximum Benefit

Your maximum benefit equals the current balance in your Medical Reimbursement Account.
