TO: ALL PARTICIPANTS OF THE PLUMBERS AND PIPEFITTERS LOCAL #333 FRINGE BENEFIT FUNDS
RE: SECURE DOCUMENT UPLOADS VIA THE BENEFIT INQUIRY SITE

Dear participants:

The Trustees of the Plumbers and Pipefitters Local #333 Fringe Benefit Funds would like to remind you that you may securely submit forms and documents to the Benefits Office via the secure Benefit Inquiry Site. This will alleviate postal delivery delays, etc.

As you know, you can access benefit information via the customized website at www.ua333benefits.org, where you can view and print communications, forms and obtain other useful information. You may continue to obtain paper copies of all benefit-related documents from the Fund Office.

In cooperation with TIC Midwest, the Third-Party Administrator, you may also view your personal account information via a secured Benefit Inquiry Site (BIS). The BIS will allow you to verify that the Benefits Office has accurate personal information about you and your family. In addition, you can review your record for up-to-date information regarding contributions made in your behalf.

From the homepage of the customized website, select Current Benefit Status under either the Health, Pension or SUB Fund menu, which will open the TIC Benefit Inquiry Site in a new browser tab. You will need to sign in using your own ID and Password. We have included an explanation of how to create your BIS account on the reverse side of this document, if you have not already done so.

Should you have any questions related to website access, please contact Greg Smith (517-327-2148) or Jamie Kline (517-327-2149) in the Fund Office. However, for questions related to your benefits, please reach out to the appropriate Plan Department at the Benefits Office, toll-free, at 866.348.9499.

SECURE DOCUMENT UPLOADS PROCEDURE:

- Begin at the Fund’s customized website, www.ua333benefits.org. Open the Health, Pension or SUB Fund menu and then click on Current Benefit Status, which will open TIC’s Benefit Inquiry Site in a new browser tab.
- Enter your ID and Password. (See the reverse side of this document for instructions on how to create an account if you do not yet have one.)
- When you arrive at the Employee Menu, click on Secure Document Uploads to access that screen.
- **TIPS ON SCANNING: We recommend scanning in PDF (Adobe Acrobat) format, using Black & White “quality”, to minimize file size. Most scanners allow creating multi-page PDF’s, thus making it easier to upload all of your scanned pages in a single file.**
- **Be sure to preview your scans before sending. If they are clear and legible to you, they will be clear and legible to our claims examiners.**
- Note in the screenshot to the right that there are five “Attach File” upload slots. Click Browse, select the file(s) you wish to send and then click Upload Claim Files.
- By including your email address in the field above the upload slots, our system will send you a confirmation code confirming that your files were delivered.
- Files are typically delivered to our office staff within 10 minutes.
