

PLUMBERS AND PIPEFITTERS LOCAL #333 FRINGE BENEFIT FUNDS

JUNE 18, 2018

AMENDMENT TO THE IMPORTANT 204(H) NOTICE TO PLAN PARTICIPANTS AND BENEFICIARIES

Summary of Material Modifications to the PLUMBERS AND PIPEFITTERS LOCAL UNION No. 333 PENSION PLAN

You recently received a letter from the Fund Office dated June 6, 2018, describing a number of changes to the Pension Plan. **It is important to note that active participants are still eligible for unreduced benefits at age sixty-two (62).**

Although the normal retirement age has been changed from age 62 to age 65 for benefits earned on or after July 1, 2018, participants that remain active in the plan (continue to earn 160 Hours of Service of more in a Plan Year) and do not have a break in service for two consecutive plan years from July 1st – June 30th, will not be effected by this change.

In general, to remain an active participant you must continue to earn at least 160 Hours of Service, each plan year.

If you have any questions or concerns, please call the Plan Administrator at (517)321-7502. You may also write to the Plan Administrator at:
